SCS, a California-based Microsoft Dynamics Gold Partner, is named to the 2010 President's Club for Microsoft Dynamics

Santa Monica, CA -- July 8, 2010 -- SCS, Inc. has been named to the 2010 President's Club for Microsoft Dynamics®. SCS has had the honor and distinction of being named to the President's Club every year since becoming a Microsoft partner.

Mr. Doug Kennedy, Vice President Microsoft Dynamics Partners stated to SCS's CEO, Helen Russell and Executive Vice President, Michael Wisner, "You have achieved quite an accomplishment to earn your way into this prestigious group, and have demonstrated your ability to drive success even in challenging economic times!

"President's Club represents a group of top channel partners who reach key business milestones while maintaining a constant dedication to achieving high levels of customer satisfaction and an active pursuit of product and technological advancement.

"Thank you for your deep commitment to our mutual customers and for continuing to strive towards business excellence."

SCS will be honored with their fellow President's Club members at the 2010 President's Club Reception and Partner Awards Ceremony on Wednesday, July 14, 2010 at the Worldwide Partner Conference.

SCS is one of the largest NAV Solution Centers in the US and is among the leading Solution Centers for Microsoft Dynamics NAV (formerly Navision) and AX software worldwide. SCS has implemented NAV Software into over 400 companies world-wide, specializing in the entertainment, food, AG, distribution, service management, manufacturing and non-profit vertical markets .
